

JEFFERSON SPECIFICATIONS

As always, we accept returns and charge NO restocking fees!

See DEMO VIDEOS:
www.youtube.com/user/MerrittManufacturing

Minimum weight: 7.5 lbs.
Maximum weight: 40 lbs.

Each Jefferson car seat comes with two support cushions, one for each buckle position, to optimally position smaller children.

Two buckle positions ensure buckle/harness does not come into contact with omphalocele.

Soft foam buckle pad to protect child from the buckle.

Durable medical-grade naugahyde cleanable cover.

FEATURES

YOKE HARNESS

Easy to use yoke harness safely restrains the baby while avoiding contact with the omphalocele.

SUPPORT CUSHIONS

Each Jefferson car seat comes with two support cushions, one for each buckle position, to optimally position smaller children.

LOWER HARNESS ADJUSTERS

Lower harness adjusters ensure that the legs are properly secure and the lower harness is tightened while still avoiding contact with the omphalocele.
